

THE INSURANCE INDUSTRY CHARITABLE FOUNDATION UK

AFFILIATE MEMBERSHIP

OUR PURPOSE

The Insurance Industry Charitable Foundation (IICF) helps communities and enriches lives by uniting the Insurance industry in grants, volunteer service and leadership.

OUR PROPOSITION

Do you want to create a CSR programme but don't have the resource?

IICF provides a platform for companies to increase employee engagement, formalise charitable activities, and amplify their impact in local communities.

Are you looking to increase your charitable giving and impact?

IICF connects companies and nonprofits through volunteering projects and grants to social mobility and education charities across the UK.

BECOME AN AFFILIATE MEMBER

We invite independent, regional and principal-owned companies whose core business is within the Insurance industry to join us.

Affiliate Members represent their company and make an annual corporate contribution of £2,500

Members can invite colleagues to volunteer, attend events or join the Associate Board of young professionals

Members will join a network of executives with a common commitment to bring value to the Industry
