THE ASSOCIATE BOARD

OUR PURPOSE

The Insurance Industry Charitable Foundation (IICF) helps communities and enriches lives by uniting the Industry in grants, volunteer service and leadership.

WHAT WE DO

We help people in local communities

by awarding grants to local charities advocating social mobility and creating opportunities for community volunteer service

We advocate thought leadership

by convening industry leaders and holding events that promote diversity of thought and leadership and raise funds for grants

We enhance the reputation of the Industry

by creating an industry-wide platform for charitable giving, volunteer service and community impact

JOIN THE ASSOCIATE BOARD

We invite individuals with 1-10 years of experience in Insurance to join the Associate Board – a leadership group that helps IICF deliver its mission and increase its impact

Volunteer with local charities and make a meaningful difference to people in the community

Share and enhance your leadership skills by joining a committee and speaking at IICF events

Raise your profile and make new connections by attending events and meeting industry executives

ASSOCIATE BOARD MEMBER ROLES

We ask each member to play an active role on the Associate Board:

The IICF provides an excellent way to give back to the communities in which we live and work. By improving social mobility with the money raised, we can make and have already made, a real difference to the lives of others – what could be more important than that!
