

The Insurance Industry Charitable Foundation

AFFILIATE MEMBERSHIP

WHO WE ARE

We believe the industry can be a force for good.

The IICF improves the lives of vulnerable and disadvantaged people by bringing the industry together in volunteering, leadership and grants to social mobility charities. Since 2015, we've changed the lives of more than 6,000 people in England and Scotland.

BECOME AN AFFILIATE MEMBER

IICF invites small-to-medium businesses in Insurance & companies in the early stages of their CSR/ ESG journey to become an Affiliate Member.

Members represent their company and make an annual corporate contribution to IICF.

Members join an industry-wide foundation, allowing you to make an impact without dedicated resource.

Employees can volunteer with our partner charities and join IICF events and fundraising campaigns.

WHY BECOME AN IICF MEMBER?

Amplify your charitable giving and impact

IICF serves as your platform for charitable giving, allowing employees to fundraise and volunteer with vetted charities and your company to amplify its local impact.

Attract future customers and employees

Connect with IICF charities to attract future customers, access diverse talent and develop insurance leaders of tomorrow by demonstrating leadership in social responsibility.

Build relationships with industry leaders

Join an international network of over 650 industry leaders with a shared commitment to giving back and making a difference.

Demonstrate leadership as a responsible business

We unite competitors in tackling issues that matter to business and society - for instance social mobility and the S of ESG - to help build a more socially responsible industry.
